

# King's Elementary School February Mission Event Meals of Love

## Dominican Republic, Malawi and Sierra Leone

We are thrilled to announce our **February 2017 Mission Event!** King's Elementary is partnering with *Children of the Nations* to provide **20,000 meals** to children and their families in the countries of the **Dominican Republic, Malawi and Sierra Leone!**

One of our mission pillars is to provide our students with opportunities for hands-on involvement in ministering to others. This project is no exception. Each student may bring their financial offerings throughout the month of February and then participate in a meal packaging event on Tuesday, March 14, 2017. Our gym will be transformed into a meal packaging plant with every child, from Kindergarten through Grade 6 packaging meals.

A representative from *Children of the Nations* will share about the great needs in the **Dominican Republic, Malawi, Sierra Leone** and describe the process of meal packaging at tomorrow's KIDS Praise. It will be a unique and uplifting day!

Please pray for the Lord's direction and provision in the days and weeks to come. Thank you for your awesome support as your children demonstrate the love of Christ by being the hands of Jesus!
