

**SNOW/ICE BUS ROUTE INFORMATION
2016-2017 SCHOOL YEAR**

On days that snow and/or icy conditions may be present, **please tune to local television stations or to one of these AM radio stations, KCIS-630 or KOMO-1000,** beginning as early as 5:30 a.m. **for bus route, school schedule, or school-closure information.** The information is also internet-accessible at **www.flashalert.net - King's Schools Seattle,** or you can call the school's information line at (206) 289-7997.

In general, announcements will fall into one of three categories: (1) King's Schools-closed, (2) King's Schools-2 hours late with buses on regular routes, or (3) King's Schools-2 hours late with buses on snow/ice routes. As weather conditions change or if it begins to snow during school hours, please listen to local radio and television stations or call the information line for updated reports.

In the event of snow or icy road conditions, regular bus stops may be altered to snow/ice routes. Below are the snow/ice stops for 2016-2017. Please remember that **the times listed are only approximations.** They can change drastically depending on traffic and road conditions. If you find it necessary to call the Transportation office during a weather-related emergency, **our number is (206) 546-7278.** Please note that the Transportation Department could be very busy during this time. If we are not immediately available, we will return your call as soon as possible. **The safety of the student is our primary concern!**

If you find it is easier to catch a different bus than the one your student or students normally ride, please feel free to do so. **IF KING'S SCHOOLS IS OPERATING ONE OR TWO HOURS LATE, THE PICK-UP TIMES WILL BE DELAYED ACCORDINGLY.** Please choose your snow stop and discuss the location with your student(s). If you have any questions about the snow stops, please call the Transportation Department. Thank you.
