

# King's Elementary Spring 2017 Enrichment Classes

## Open to All King's Students

---

### Grades K - 6 \* Chess Club \* 7 weeks - Room 21

**Mondays: April 17, 24; May 1, 8, 15, 22; June 5**

It's not about Kings, Queens, and Rooks, but rather, quadrants and coordinates, thinking strategically and foreseeing consequences. It's about lines and angles, weighing options and making decisions. Chess might just be the perfect teaching and learning tool especially when it is played from a young age. Some of the critical benefits that chess can provide: an increase in higher level thinking skills, advance math and reading skills, and build self-confidence to name but a few. **Instructor: Professional Chess Coach Matt Fleury**, highly ranked United States Chess Foundation Coach. **Students may bring a snack to eat in the cafeteria from 2:45 to 3:00pm.**

Time: 3:00-4:00pm \* Cost: \$135, Chess Club T-shirt \* Cost: \$120, no T-shirt \* Grades: K-6

---

### Grades 1 - 2 \* Spring Art Extravaganza \* 8 weeks - Room 21

**Tuesdays: April 18, 25; May 2, 9, 16, 23, 30; June 6**

We will create many types of art with a spring theme. Student artists will do paintings, mixed media, 2D and 3D sculpture, just to name a few. We will examine the way different artists work and practice using several different art tools. Always having fun while using our imaginations. **Instructor: Jody Coulston, King's Elementary Art Teacher.** **Students may bring a snack to eat in the cafeteria from 2:45 to 3:00pm.**

Time: 3:00-4:30pm \* Cost:\$200, includes all supplies \* Grades: 1-2 \* 5 student minimum!

---

### Grades 3 - 6 \* Game Design \* 8 weeks - Room 19

**Wednesdays: April 12, 19; May 3, 10, 17, 24, 31; June 7**

Students in our Game Design class will have the opportunity to create a video game using Kodu Game Lab! Together we will discover how to make a side-scrolling action game where our Hero Kodu must overcome obstacles in a platform environment to win the game! Teaming up we will master how to program characters to move, jump, enable power-ups and help each other make and clear a game-level design! Learn how to utilize World settings and change cameras, and build your own levels. Discover how to use terrain tools; path tools and learn how to change level designs and environments. Students will be taught how to utilize timers and scoreboards and program enemy 'bots. Our Game Design class will go over how to make a complete side scrolling styled game that students can share and play at home! **Instructor: Mark Munoz, Smart with Art.** **Students may bring a snack to eat in the cafeteria from 2:45 to 3:00pm.**

Time: 3:00-4:15pm \* Cost:\$230 \* Grades: 3-6

---

### Grades 3 - 5 \* Spring Art Extravaganza \* 8 weeks - Room 21

**Thursdays: April 20, 27; May 4, 11, 18, 25; June 1, 8**
