Arrival time for this option is 8:00 p.m. sharp, although arriving 15 minutes earlier is optional for pictures.

## Dance Attire/Dress Code/Personal Items

As an informal costume dance, students are invited to attend dressed “adventure ready” or representing their favorite adventurous duo. Whether that’s as hikers, pilots, sailors, superheroes, or other literary/ cinematic partners, creative liberty is encouraged and most-original-costume awards will be given out! While dance dress code is not as strict as school dress code, please use discretion in regards to appropriateness and make sure that attire is the proper length and size. If you are concerned that your attire may be questionable, counselors are happy to look at your options and help determine appropriateness. If you are uncertain but elect to wear your outfit without counselor feedback, please bring an option to change into if necessary. There will be oversized sweat outfits on hand for those who violate the dress code. Also note, personal items are not allowed in the event. All bags, purses, etc. must be checked at the door and will be monitored by a chaperone throughout the dance.

## Do I need a date?

NO! Absolutely, without question, no. Groups of students are encouraged to come together. This is an opportunity for everyone to celebrate our high school community. There is also no set standard regarding “who pays for what?” This is up to students to determine and communicate.

## Picture Options

Classic Image Photography will be available for photos throughout the event. Pictures are optional and a price sheet is available in another attachment. Picture forms will also be available on site.

## Table Sign-ups

Table group sign-ups for those who elect to purchase tickets with dinner will be available at the ticket sales table in the lounge. Final submissions are due Wednesday, the 18th at lunch.
