

## King's Schools | Win-Win Program

Your word of mouth speaks volumes about our school! Simply by sharing your King's experiences with friends and family, current families become our most valuable marketing asset and help to enrich our community when new families enroll. King's Win-Win program is designed to thank current families for their enthusiasm and positive promotion of King's. It's as easy as 1-2-3...

1. Current King's family refers a new family to the school
2. New family enrolls their student
3. A Win-Win Application Form is completed and submitted to the school business office

Thanks for sharing!
