

King's Elementary *Laps for La Casa!*

March 11th

Lacasa2020.Funruntime.com

Student Access Code: 9AF9

Our annual mission trip to Mexico is fast approaching! This year our Elementary students will raise funds through a jog-a-thon. On March 11th, all King's Elementary students will be participating in our *Laps for La Casa* jog-a-thon helping to reach our school wide goal of 1,000 miles! From now, until the event, your student will find sponsors/donations for the event. If each student finds \$50 in sponsorships, we will crush our goal and be able to provide for our mission trip to partner with a family to build their new home and share the Gospel in Tijuana, Mexico.

3 Easy Ways to Help Make Our Fundraiser a Success:

- 1. Website/Donation Card:** You can fill out the Donation Card provided or go to our secure *La Casa* website & enter the access code above to record the donations online! You can then search for your student in the "Participant Lookup" box and easily donate using a credit/debit card*, Pay Pal*, or choose to pay your donation with cash or check with the envelope provided. All donations are 100% tax deductible.

Checks can be made payable to King's Schools (please put *La Casa* in the memo!)

*Credit/Debit cards & Pay Pal will be charged a small service fee.

- 2. Corporate Match:** Don't forget to ask your company about corporate matches. If they participate, simply submit your donation receipt email to your employer and they will match your donation.

- 3. SHARE YOUR STUDENT'S PAGE:** Forward the donation website to at least 10 of your friends and family asking them to sponsor your child. Simply click on any of the share buttons from your student page to send an email, text, or Facebook post.

Donations and payments are due March 11th to qualify for prizes!

All questions can be addressed to: mdelangen@kingschools.org

THANK YOU FOR SUPPORTING OUR MISSION TRIP!

Earn Prizes & Rewards

*If the school total passes \$25,000, the Principals will get slimed!
Thank you for supporting our mission trip!*
