Yesterday we finished this home on behalf of our partner Kings Elementary and gave it away in Jesus name! The family was our volunteer builders alongside the BCM Team! Next one goes up next Tuesday! **#bcmteam #blessedtobless #onefamilyatime**

The BCM team was blessed to work alongside this precious family to build their brand new home on Tuesday! A huge thank you to King's Elementary for sponsoring two houses for needy families! Though they could not join us in person this year, we are so grateful for their support and encouragement from afar, and we look forward to seeing them next year, si Dios quiere! @ Tijuana, Baja California
