

## **“The Blessing” King’s Elementary Video Project**

Dear King’s Elementary Students and Parents,

At King’s Elementary we are excited to connect students to the arts, providing opportunity to worship while developing the gifts and passions of each! In recent days you may have seen virtual video choirs (similar to this one: <https://video.link/w/WyXjb>) and we would like for King’s Elementary Students to create one of their own.

We invite all Kings Elementary Students to participate and consider submitting a video rendition of “The Blessing”. Parents, students will most likely need your help setting up devices and helping with recording. Below you will find guidelines on how to submit the video. The deadline to submit is October 31<sup>st</sup>, 2020.

Together we will declare this powerful and simple truth, so beautifully captured in this song. The message shared to a hurting and broken world that *He is for us! He is our only Hope!* This song has been shared with many churches across the world and giving hope to others. Our desire is to bring hope to the King’s family by singing this song together.

I would like to thank parents in advance for helping your child/ children and students in participating in this video. Please feel free to email me if you have any questions at [nariadne@kingsschools.org](mailto:nariadne@kingsschools.org)

In Christ,

Mrs. Ariadne  
Music Teacher
